Our next meeting on Sat. 26th August will be at Lois Thornley's place at 2pm. The address is 3683 Tin Can Bay Road at Wallu.

Our last meeting was at Jim and Leanne Evans' place. Jim shared some of his experience of breeding Cattleyas and cited some breeding lines which had dominant traits in form or colour. Also that the outcomes might differ depending on which plant was the pod or pollen parent. It was an informative meeting culminating in a tour of his shade house.

John Rees informs me that the date of the next STOCQ meeting has been moved forward from the 4th Nov. to 21st Oct. same location.

The Mary Valley Show in Imbil has come and gone. Thanks to those members who participated in what is always a lively family and community event. A few of our club members took out prizes in the orchid section of the Horticultural Show. John Greene was awarded Champion Orchid for his Paphiopedilum entry, and Best Exhibition Cattleya with 'Sylvia Fry'. Gary Walker's Cymbidium won Grand Champion of the Horticultural Show. Ted Mann won a swag of prizes over different sections and Corrie Sheaffe won 2nd prize for her Vanda.
